**PUBLIC INPUT ON AGENDA ITEMS**

The attendees did not have public input on agenda items.

**HIGHWAY DEPARTMENT**

J&K Communications, Inc.: Sales Representative Adam Hurley provided a PowerPoint presentation on the Nexedge Digital Systems, a Kenwood handheld radio system. The proposal includes fifty-five mobile units and eight portable units. Mr. Hurley stated that a coverage study has been completed and the infrastructure is established. The system comes with a three-year warranty. The cost estimate is \$300,000, and lease options are available. Superintendent Peters explained that the current system has so many issues that they are using cell phones and relaying information. He further explained that he would need to review the budget to determine the funding source.

Highway Department Superintendent Jason Peters presented two (2) road bore requests from Comcast Cable, for the purpose of providing service to customers, as follows:

1. Work Order #PTC-679247: At 14271 7B Road, in Center Township.
2. Work Order #PTC-692847: At 18871 W 4B Road, in Polk Township.

**Jesse Bohannon moved, second by Adam Faulstich, to approve both road bore requests from Comcast Cable, as presented. Motion carried 3-0.**

Superintendent Peters presented a road bore request from CNS Networks on behalf of Brightspeed of Indiana, LLC, ( PMT 036935) on US 31, between US 31 and Plymouth-Goshen Trail, in Center Township, for the purpose of placing conduit. **Adam Faulstich moved, second by Jesse Bohannon, to approve the road bore request from CNS Networks, as presented. Motion carried 3-0.**

Superintendent Peters provided an update on the following projects:

Bridge 231, Center Street, Bremen: The date of letting is August, 2027. The Indiana Historic Preservation Review Board considered the Indiana Department of Natural Resources nomination to reclassify the bridge as "select" at their meeting on January 14<sup>th</sup>. DLZ notified the Highway Department that the Committee took a vote to inform the Federal Highway Administration (FHWA) to support "select" status and add the bridge to the National Register of Historic Places.

Bridge 88, 12<sup>th</sup> Road east of Olive Trail: The date of letting is January 14, 2029. The Highway Department submitted the Quarterly Reports, and the project is on schedule.

Bridge 108, East 7<sup>th</sup> Road: The date of letting is February 12, 2030. The Highway Department submitted the Quarterly Reports, and the project is on schedule.

Bridge Inspections 2022-2025 Phase II: No update.

Bridge Inspections 2026-2029: DES No. 2300183. No updates.

Bridge 232, Randolph Street: No update.

Bridge 87, 11<sup>th</sup> Road: Des No. 1702839. No update.

Mill Pond Dam Improvements: The Highway Department met with DLZ representatives. The completed work looks good; the brush will continue to be mowed preventing trees and vegetation from growing, voids will need to be filled in the right-of-way, and chain link fence will not be installed. The determination not to install the fence was based on the 100-year flood water cresting the road because a fence would collect debris and restrict the flow.

Bridge 2540, Michigan Road Rehabilitation: The presentation was given on January 8<sup>th</sup>.

HSIP Countywide Striping Initiative: DES No. 2401543. Superintendent Peters presented an LPA-Consulting Contract between Marshall County and United Consulting with the maximum amount payable of \$40,000 for Construction Inspection. **Adam Faulstich moved, second by Jesse Bohannon, to approve the LPA Consulting Contract between Marshall County and United Consulting, as presented. Motion carried 3-0.**

Inclement Weather: Superintendent Peters provided an update concerning the inclement weather from January 12<sup>th</sup> through January 20<sup>th</sup>.

Road Work: The crews have been plowing and treating snow covered roads, patching potholes, working on gravel roads, trimming brush, and making equipment repairs. The department is stockpiling stone, working on the 2026 road program, and long term equipment replacement/upgrade plan.

### **INDIANA DEPARTMENT OF VETERANS AFFAIRS**

Indiana Department of Veterans Affairs District Service Officer, Northwest, Mark Gourley provided a compliance report, providing information regarding outstanding claims and answering questions. He stated that our Service Officer Pam Schweizer-Betz is in full compliance with standard accreditations and is meeting all the key performance indicators. He also stated that new legislation allows counties to make interlocal agreements to cover shortages.

### **MARSHALL COUNTY FIRE ASSOCIATION**

Marshall County Fire Association President John Grolich requested the Commissioners appropriate the remaining 2025 balance for special projects. He explained that there was \$21,398.01 unspent last year and would like to provide training to positively reinforce mental health for all emergency services, fire, emergency medical, and police. The County Council provided a favorable recommendation at their meeting earlier this month. Following discussion, **Adam Faulstich moved, second by Jesse Bohannon, to table the request. Motion carried 3-0.**
