

2018 INDIANA REGISTERED SOIL SCIENTISTS REGISTERED IN MARSHALL COUNTY

The names on this list are the registered soil scientists listed in the Indiana Registry of Soil Scientists as working in this area of the State. This list is provided as a service to the public, and does not imply a recommendation of these companies or individuals. Please visit <http://www.oisc.purdue.edu/irss/roster.html> for a complete list of all the soil scientists registered in Indiana. In addition, each soil scientist shall be registered within **Marshall County** on an annual basis before soil reports will be accepted for septic permit applications.
